

# NAPAC

# 2022

***North American  
Particle Accelerator Conference  
Albuquerque, New Mexico, USA***

**7–12 August 2022**

**Hotel Albuquerque**

**NAPAC2022.ORG**

*LANSCE Accelerator Facility*

NAPAC22 will be held in the heart of New Mexico, a confluence of Indigenous, Spanish, and American influences as evidenced in the state's unique cuisine, music, and architecture. It is the home to Los Alamos Neutron Science Center (LANSCE)

As the largest domestic particle accelerator conference, NAPAC brings together experts in all fields of accelerator science, technology, and engineering. Because it covers the entire spectrum of accelerator STE topics, it is extremely useful for students, post-docs, technicians, and engineers. Attendees can be exposed to the entire field and interact with many of its best in one place.
